2 Source: Colorado Department of Labor and Employment, Labor Market Information, QCEW, *Colorado Employment and Wages: Annual Average 2004*. Sector totals differ from the QCEW due to the distribution of government employees throughout all sectors, a later download date, and rounding. An employed person is 16 years or over in the civilian noninstitutional population, who, during the reference week, (a) did any work at all; and, (b) who was not working, but was temporarily absent.

3 "Other" includes nonclassified establishments, invalid NAICS codes and missing data.

Construction is the industry sector with the highest number of fatal claims, but Mining is the sector with the highest rate of fatal claims.
